Circular Letter No. 140.

Subject: VERB TEST REPORTS FROM TEACHERS OF HIGH SCHOOL SENIOR ENGLISH.

To Supervisors of Schools,
High School Principals, and
Teachers of Senior English:

Because of reports received that there still remains so much of the course of study to be completed during the remainder of the term, inasmuch as there have been many interruptions this year, it is considered advisable to notify teachers of high school senior English that they may consider the reports on verb test explained in Circular Letter No. 111 as being optional instead of required. Thus the work of the teachers of senior classes is put on the same basis as that of the other teachers.

It was hoped to gain from these reports information that would be of great benefit in determining definitely where the weaknesses are in the students' use of verbs; but for the reasons given above the work is postponed for this year. However, altho the tabulated reports are now no longer required, it would be beneficial to give the tests to the students in order that they may have that practice. And if any teacher is so situated as to be able to get the reports prepared for one or for all of the classes, these reports will be appreciated.

Sincerely yours,

(Signed) JUAN B. HUYKE,
Commissioner of Education.
